Division 7 – Miscellaneous Matters

1. Types of Strata Lots

- (1) Strata lots 1 to 19 inclusive shall be considered one type of strata lot (the "Townhouses"), and strata lots 20 to 52 inclusive shall be considered another type of strata lot (the "Podium Units"), and strata lots 53 to 251 inclusive shall be considered a third type of strata lot (the "Tower Units") for the purposes of allocating expenses which relate to and benefit only one of these three types of strata lots. If a contribution to the operating fund relates to and benefits only one of these types of strata lots, such contribution is to be shared only by the owners of strata lots of that type and each strata lot's share of that contribution is to be calculated in accordance with the formula which has as its numerator the unit entitlement of the strata lot within that type and as its denominator the total unit entitlement of all strata lots within that type.

2. Small Claims Court

- (1) Notwithstanding any provision of the Act, the strata corporation may proceed under the Small Claims Act (British Columbia) against an owner or other person to collect money owing to the strata corporation, including money owing as a fine, without requiring authorization by a resolution passed by a 3/4 vote.

3. Electronic Attendance at Meetings

- (1) Attendance by persons at an annual or special general meeting may be by telephone or other electronic method if such method permits all persons participating in the meeting to communicate with each other during the meeting.

4. Use of Patios and Balconies

- (1) An owner, tenant or occupant of a strata lot shall not, except on enclosed balconies, place planters or other such items or equipment within any part of the limited common property designated on the strata plan exclusively for the use of such owner unless, in the opinion of the council, such planters, items or equipment are in keeping with the balance of the development in terms of design, quality, proportion and colour. Any such planters, items or equipment will be maintained in good and tidy condition on an ongoing basis and the responsibility for such maintenance will be solely for the account of the owner, tenant or occupant entitled to the use of the limited common property on which they were placed. Under no circumstances will an owner, tenant or occupant install a hook, hanger, bracket or other device to the exterior of the building which could potentially cause a breach of integrity of the building envelope.

5. Garbage Disposal

- (1) An owner, tenant or occupant shall remove ordinary household refuse and garbage from his/her strata lot and deposit it in the containers provided by the strata corporation for that purpose; all garbage shall be bagged and tied before so depositing and the owner, tenant or occupant shall remove any materials other than ordinary household refuse and garbage from the strata plan property at his/her expense.

6. Bicycles, Storage and Parking

- (1) Bicycles are not permitted in the elevators, hallways or any other common areas. No bicycles are to be kept on balconies or patios; instead, they shall be stored within the owner's designated storage lockers or such other areas as may be prescribed by the council. All bicycles must enter or exit the building by way of the vehicle entry to the parking garage only or the bike access door off Taylor Street.
- (2) The owner of each strata lot will be entitled to the use of one storage locker within the secured area of the parking facility for the development designated for that purpose, free of charge (but this will not prohibit the imposition of reasonable refundable security deposits for the issuance of keys and security passes). Council will, subject to the provisions of the Strata Property Act, be responsible for the allocation of and orderly administration of the use of storage lockers. Such administration may also include, without limitation, the issuance of keys or security passes and the licensing of the use of any unallocated storage lockers, including charging fees to users if approved by resolution of the strata council.
- (3) An owner, tenant or occupant that leaves any item anywhere on or in the common property or on any limited common property does so at his/her own risk, subject to any claim that may properly be made under any insurance policy maintained by the strata corporation by anyone that is insured under that policy.
- (4) An owner, tenant or occupant must use parking stalls only for parking of licensed and insured motor vehicles, trailers, motorcycles or bicycles, and not for the parking of any other type of vehicle or storage of any other item, unless otherwise approved in writing by the council.
- (5) An owner, tenant or occupant shall not:
 - (a) use any parking space in the building or on the common property or any limited common property, except the parking space which has been specifically assigned to his/her strata lot, a parking space leased by the owner or, when specifically agreed with another owner, the parking space assigned to the strata lot of that other owner;
 - (b) carry out any oil changes, major repairs or adjustments to motor vehicles or other mechanical equipment on common property or any limited common property, except in the case of emergency;
 - (c) rent or lease the parking space assigned by the strata corporation to his/her strata lot to or otherwise permit that parking space to be regularly used by anyone that is not a resident of the building without prior written consent of the council; and

- (d) park any vehicle in a manner which will reduce the width of the garage roadway or ramp or any roadway on the common property or limited common property.
- (6) An owner, tenant or occupant must properly and at its own expense clean up any oil or other substances which spills or leaks onto the common property.

7. Move In / Move Out

- (1) The strata corporation may regulate the times and manner in which any person moves onto or out of the strata lots and may require that such moves be coordinated with the manager of the building at least seven days in advance of such moves, or such lesser period as the council may, in its sole discretion, permit, provided that if an owner or tenant carries out any move into or out of a strata lot otherwise than in accordance with such prior arrangements made with the manager of the building, the owner or tenant will be subject to a fine of \$100, such a fine to be paid on or before the due date of the next monthly strata fees.
- (2) An owner or tenant must notify the strata corporation in advance of the date and time that the owner or tenant will be moving into or out of the strata lot. There is a move-in or move-out deposit of \$200. A move-in fee of \$250 for the tower residents must be paid at the time of booking the move. Townhome residents must pay \$50 if the move does not take place through the townhome patio door and requires access into the building via the elevator.
- (3) In case of damage caused by a move, the costs to repair the damage shall be assessed in full amount against the responsible strata lot owner.
- (4) Moves must be scheduled and completed between the hours of 8:00 a.m. and 5:00 p.m., Monday to Thursday, and 10:00 a.m. to 4:00 p.m., Friday to Sunday, and statutory holidays.
- (5) The building manager and/or property manager, on behalf of BCS 1559 Strata Corporation, may decline a move in or move out of the Taylor if it would interfere with other planned activities such as other moves and maintenance activities.
- (6) All moves shall be conducted through the door between the two buildings, except for townhomes which require the use of their patio doors. For smaller vehicles – use the P1 loading bay rather than the main entrance door.
- (7) Owners must receive all keys, remotes and key fobs from a tenant when moving out of the Taylor is completed.
- (8) Owners/tenants moving into or out of the Taylor must ensure exterior doors are not left open and unattended at any time.

- (1) The strata corporation may purchase, lease or otherwise acquire personal property for the use of benefit of the owners and may sell or otherwise dispose of such personal property for any amount in the annual budget for the strata corporation, but otherwise only if approved by a resolution passed by a 3/4 vote at an annual or special general meeting if the personal property has a market value of more than \$1,000.

10. Quorum for Adjourned Meetings

11. Common Facilities and Easement Areas

- (1) Each owner will comply with the rules and regulations from time to time established by the council which govern the use and enjoyment of the common property, the terms of any easement which is for the benefit of the strata corporation and rules and regulations made pursuant to any such easement. Postings of any such rules and regulations will constitute sufficient notice to all such persons.

- (2) Any damage to insured property of the strata corporation which results in the payment by the strata corporation of an insurance deductible shall be deemed to be an uninsured loss and recoverable by the corporation as provided for above.
